

Policy 231 for the relationship with suppliers

C.R. Technology Systems S.p.A. informs that with a resolution of the Board of Directors, has adopted its own organization, management and control Model, pursuant to Legislative Decree 8 June 2001, n. 231 and the related Code of Ethics (documents available on the website <https://www.crtsgroup.com/en> under the menu item "Corporate governance") which define the set of rules and ethical principles to which it recognizes value.

All those who enter into a relationship with C.R. Technology Systems and carry out their activities in the interest or for the benefit of the same must comply with the provisions contained in Legislative Decree 8 June 2001, n. 231, the organizational and behavioral rules and the principles of its Code of Ethics.

In relations with C.R. Technology Systems respect the provisions of the Legislative Decree 8 June 2001, n. 231, the organizational behavioral rules of C.R. Technology Systems and the principles of its Code of Ethics is also to be considered a contractual obligation; failure to comply with one of the aforementioned provisions will result in a serious breach of contract and will legitimize C.R. Technology Systems pursuant to art. 1456 of the Italian Civil Code - express termination clause - upon termination of the contract by law, without prejudice to compensation for damages suffered by the same.
